### RHS Digital History 2022

Many sources have been referenced in the compilation of this digital history. Five Histories, around 100 Annual Reports and numerous photographic and brochure inputs have been used, along with the great God Wikipedia and other Press sources. The following however is as comprehensive a list as we know at present, but can only apologise if we have missed anybody out. Tell us and we'll include you in the next version.

Source	Author / details	Topics
<b>Histories</b>		
1849 History of the High School of Edinburgh	William D Steven	Multiple
